

# hydrophene Nordelta

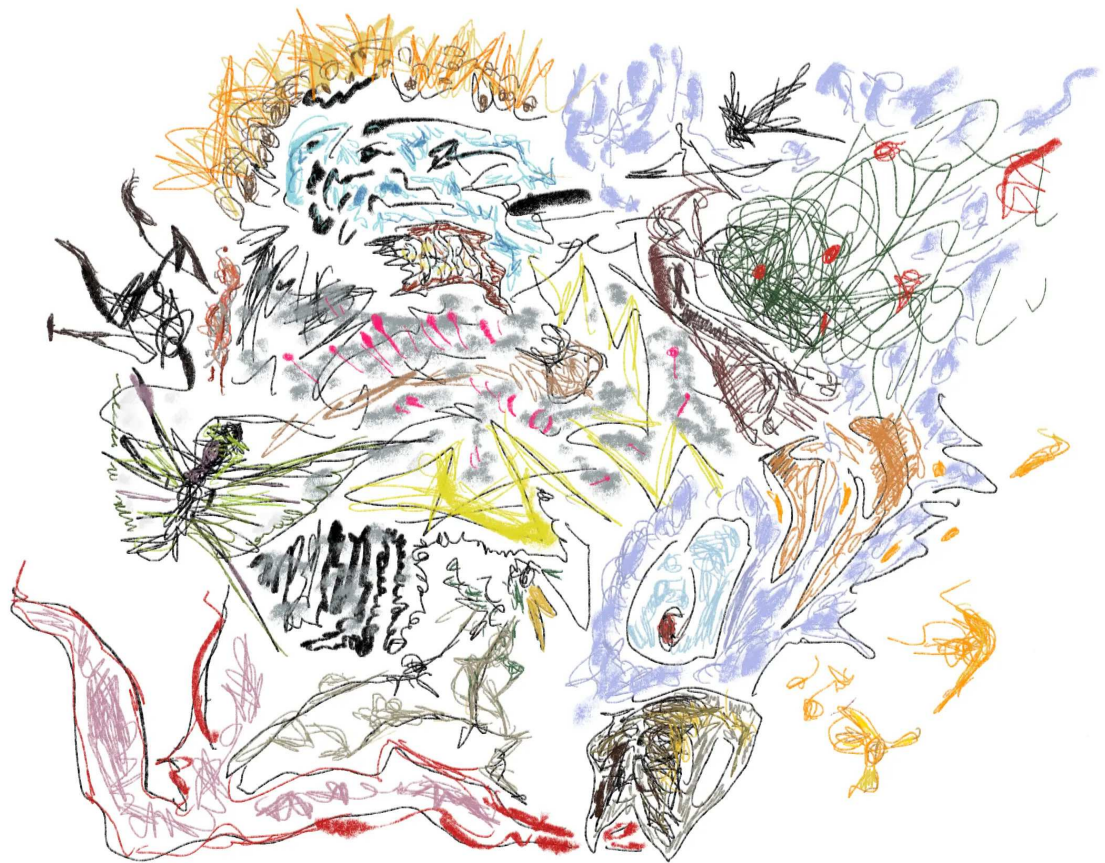

a Laundry Room Inc. production

## a preface

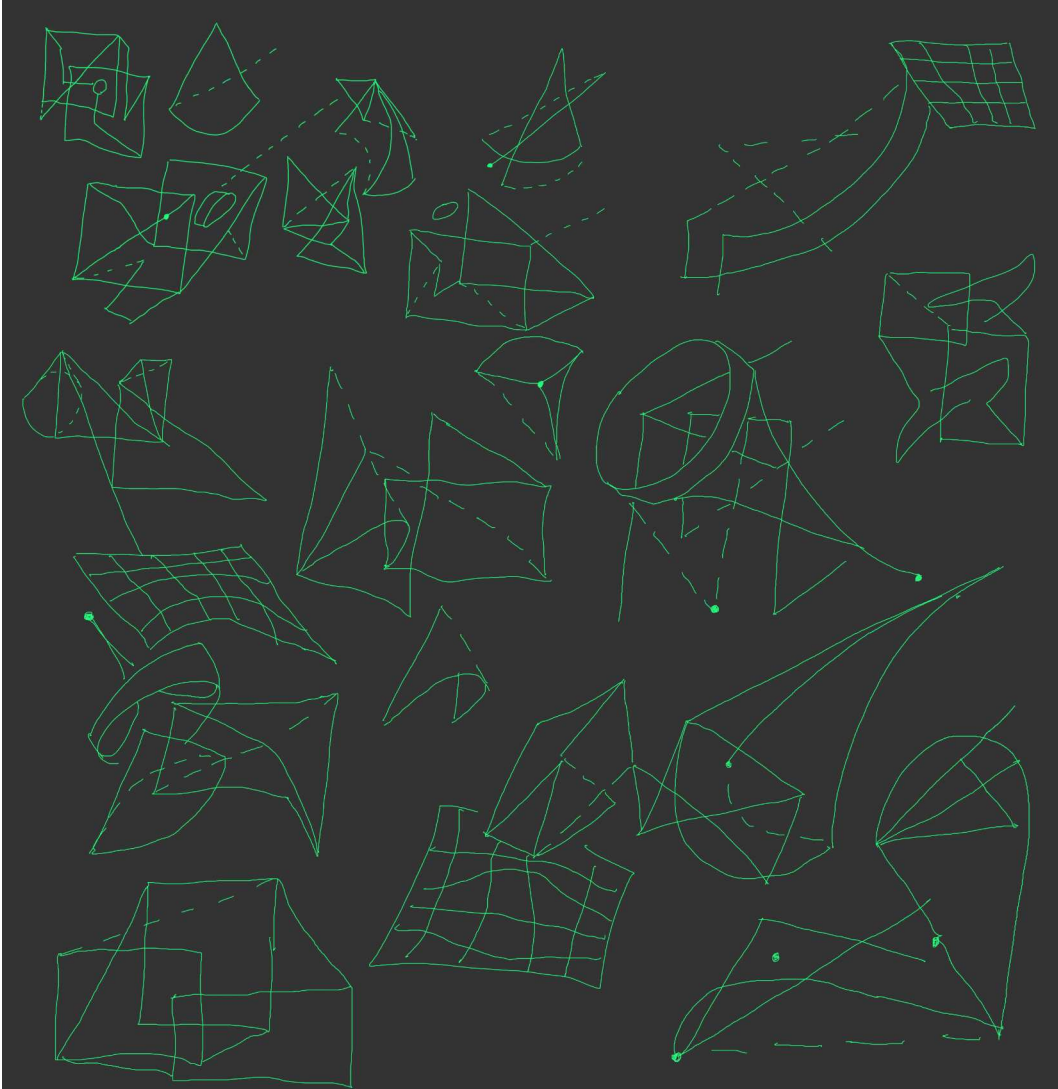

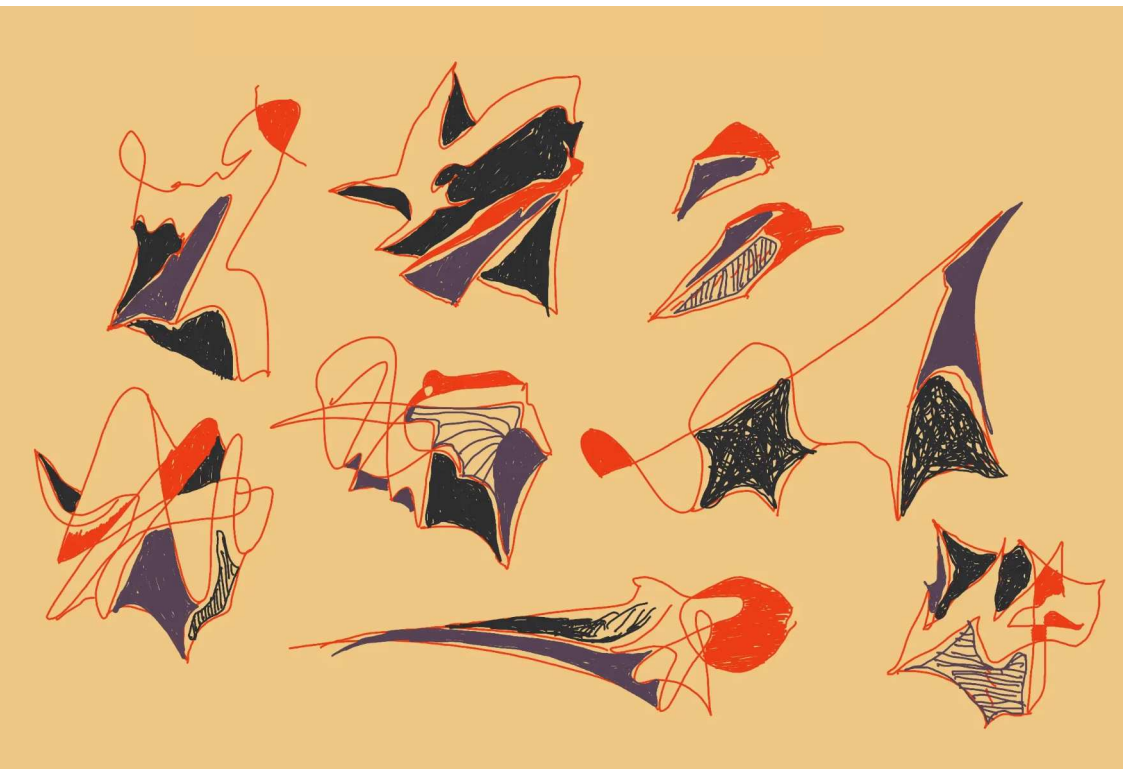

It is 12:39 Central European Summer Time (UTC+2). It is 23 degrees Celsius. It is sunny. The rest of the week will experience rain. It is May 19th 2025. Voyager 1 has been in space for 17,424 days. The last Pope died of cardiocirculatory collapse. The new Pope is 69 y.o. Over 55,000 people have died in the Israeli-Gaza war. There are over 93,000,000 active Apple Music subscribers. I don't know how many humans have existed so far, and any estimation may be fiercely debated.
